## If and when to add alternative cancer therapies to the Kelley Program

My recommendation is to get to the point that you can follow the enzyme recommendation of 54 grams per day (12 caps six times per day) before adding to your process.

The biggest challenges most people have is managing:

1. Detoxing
2. The daily complexity of managing diet and supplementation

The screenshot shows a Google search for "alternative cancer therapies". The search bar at the top contains the text "alternative cancer therapies" and a search button. Below the search bar, there are navigation tabs for "Web", "Images", "Maps", "Shopping", "News", "More", and "Search tools". The search results are displayed in two columns. The left column contains several search results, including "Alternative Treatment - OasisofHope.com", "Proton Therapy Locations - Protons.com", "Natural Cancer Treatment - totalhealthinstitute.com", "Alternative cancer treatments: 11 options to consider - MayoClinic.c...", "Alternative cancer treatments - Wikipedia, the free encyclopedia", "Cancer Alternative Therapies: MedlinePlus", "Alternative Cancer Treatments (Mother Nature Knows Best)", "Alternative Cancer Therapies - Choice of Therapy - Cancer Cure ...", "Complementary and Alternative Medicine - National Cancer Institute", and "Seattle Alternative Cancer Treatments - Northwest Natural Health". The right column contains several search results, including "Complete Cancer Therapies", "Holistic Cancer Treatment", "You Can Beat Cancer Now", "Holistic Cancer Treatment", "Advanced Cancer Treatment", "New Cancer Breakthroughs", "Holistic Healing", and "Affordable Natural Cancer".

## Get the Kelley Program working smoothly before adding in more protocols

If you function well on 72 enzymes each day for two 25 day cycles and still want to add another protocol to your day ... this is the time to add one at a time with a 30 day time before adding another.
